

90.104C DISINFECTION WIPES
90.106C 20 x 20 cm or 13 x 18 cm

FEATURES & BENEFITS

- Without rinsing and ready to use
- Its ethanol-impregnated solution allows 99.9% disinfection
- Made from viscose, the wipes provide excellent absorption and good resistance
- Bactericides, fungicides, virucides, yeasticide
- Quick and easy method allowing only the required dose of disinfectant to be applied on the surface to be treated. Allows disinfection during manufacture, ensuring significant gains in productivity and safety.

Recommended :

- For the efficient and rapid disinfection of small surfaces, small equipment and utensils in contact with foodstuffs, staff hands (uninjured skin) and all types of surfaces in the field of public health by wiping.

Item	Qty wipes / can	Wipes Size	Can weight
90.104C	200	200 x 200 mm	788 g
90.106C	100	130 x 180 mm	246 g
